

## Nyländska Jaktklubben

Helsinki 7<sup>th</sup> February 2019

Dear 5.5 sailor,

In order to help you plan your participation in the 2019 Cup and Worlds' events, here is some additional information on transports to and from Finland:

picture: Kari Wilén

**Transfennica** has daily Ro-Ro connections between Lübeck and Hanko. For pricing and other information, pls contact:  
[info.germany@transfennica.com](mailto:info.germany@transfennica.com)

Their ships have very limited passenger capacity but it may be worth asking if you want one of the crew to travel with your boat. Special pricing is promised.

**Finnlines** offer 5.5 teams 25% reduction on their normal prices. They have several connections between Sweden and Continental Europe and Finland, e.g.:

- Travemünde – Helsinki
  - Rostock – Hanko
  - Kapellskär (Sweden) – Naantali/Nådendal
- The Finnlines ships have significant passenger capacity.

Finnlines asks you to use a code **SPV** for this purpose. The trip can be booked [online](#) or via [call center](#) with this code. The discount is 25 % discount from the Standard fares. Booking conditions are flexible following the [Standard conditions](#). Please note that if the vehicle is over 12 meters long it can be booked via call center only.
